Palazzo San Giovanni is a XVII century house in the very south of Apulia. While keeping its original architecture, it is now a charming guest house with 3 double rooms, 1 junior suite and 2 apartments. Guests can enjoy the internal court, in a quiet and private ambience, or the terrace with the wonderful sea and country view. We offer bed & breakfast formula for rooms, or self catering for apartments with fully equipped kitchen. Each accommodation has air conditioning, TV led, free wi-fi and private bathroom.

Palazzo San Giovanni is located in the old center of Morciano di Leuca (Lecce), 3 km from the sandy beaches of the Ionian coast; an ideal starting point to visit the Salento region, its authentic villages and amazing landscape.
